

Curriculum Vitae - Kevin Kavanagh, MS, MD

Education

High School: Fort Le Boeuf High School, Waterford, PA. 1968-1972.

Undergraduate: University of Nevada at Reno, Reno, Nevada, 1972 - 1975, BS awarded in 1975. (Note: Dr Kavanagh was accepted to medical school after 2 years of college and was awarded a BS degree during his second year of medical school.)

Graduate/Medical School:

1. University of Nevada at Reno, Reno, Nevada, 1974 - 1976.
2. University of New York at Buffalo, New York, 1976 - 1978, Award MD
3. University of Iowa, Iowa City, Iowa, 1980 - 1983, Awarded MS.

Internship: General Surgery, Gundersen Clinic, LaCrosse, Wisconsin 1978-1979.

Residency: Department of Otolaryngology - Head and Neck Surgery, University of Iowa Hospitals, Iowa City, Iowa. 1979-1983.

University Appointments

1. Assistant Professor, Department of Otolaryngology, University of Tennessee, Memphis, 1983 to 1987.
2. Associate Professor, Department of Otolaryngology, University of Tennessee, Memphis, 1987 to 1989.
3. Tenured Associate Professor, Department of Otolaryngology, University of Tennessee, Memphis, 1989 to 1992.
4. Associate Clinical Professor, Department of Surgery, Division of Otolaryngology, University of Kentucky, Lexington, 1993 to Present.

Awards & Honors

1. 1970 Eagle Scout, Vigil Honor Order of the Arrow.
2. 1975 Graduated with highest distinction from the University of Nevada - Reno.
3. 1983 State Appreciation Award for Service to Iowa Lions
--Awarded by Iowa Lions State Organization for the development of the Iowa Lions Hearing Program.
4. 1992 Certificate of Appreciation. In recognition for outstanding, dedicated service. To the citizens of Memphis and Shelby County, Tennessee. Presented by the Memphis and Shelby County Health Department.

5. 1994 Service To Mankind Award by the Sertoma Club, Somerset, KY.
6. 1994 Honor Award--American Academy of Otolaryngology
San Diego, Sept., 1994.
7. 1997 Kentucky State Recognition Award for Tobacco Education
Program from the Kentucky American Cancer Society.
8. 2005 Miami, FL: US SAILING's Sail Training Service and Support Award The Sail
Training Service and Support Award in honor of Virginia Long would honor individuals
who, through their efforts, unselfishly assist and enable a sailing program or sailing
instruction in a supportive role.

Board Certification

1. National Board of Medical Examiners (#192409), July 2, 1979
2. American Board of Otolaryngology - Head and Neck Surgery, October 25, 1983

Society Membership & Journal Affiliations

1. Software Review and Computer Applications Editor for "The Annals of
Otology, Rhinology and Laryngology." Jan 1991 to June 2004
2. Fellow of the Triologic Society
3. Fellow of the American College of Surgeons
4. Fellow of the American Academy of Otolaryngology
5. American Medical Association

Websites Written and Developed by Dr. Kavanagh

Medical Websites:

www.entusa.com This website contains over 750 pages, 400 pictures and 60 videos of information on allergy, ear, nose and throat

www.healthwatchusa.org Healthcare transparency and patient advocacy website.

www.occupationalhearingloss.com This website lets the physician use 11 Online JavaScript calculators to evaluate audiometric data, calculate hearing handicaps and estimate future hearing thresholds.
--This site is the basis of Research Publication #40.

www.ear-anatomy.com This website presents 60 temporal bone slides that were scanned at 2500 pixels per inch. Each section is presented in three sizes up to 30 by 40 inches. Anatomical diagrams aid in the identification of temporal bone structures. --This site is the basis of Research Publication #41.

Tobacco Facts and Cancer, Smoking, Larynx Cancer & How to Quit Smoking

www.tobaccofacts.info This website presents the dangers of tobacco use and ways to quit smoking.

www.cme-usa.org Physicians can earn CME credits by reviewing the medical information on www.entusa.com and taking an online test. Tests are graded online and if passed the results are forwarded to the University of Kentucky.

www.handstable.com Instrumentarium, Inc. website. Distributors of microsurgical instruments, including the Kavanagh "Hand Stable" Instruments.

Marine Websites:

Sailing Educational Websites - Donated to US SAILING on 12/16/2002
www.sailingcourse.com, www.sailingusa.info , www.cruising.sailingcourse.com

Community Activities:

1. Member of Kentucky Board of Speech-Language Pathology and Audiology, Dec. 1, 2004 to Present.
2. Member of the following US SAILING National Committees:
 - a. Training Committee. March 2002 to Present
 --Vice Chairman for distance learning Jan 2005 to Present
 - b. National Faculty. November 2002 to Present
 - c. Information Technology Task Force July 2003 to Present

(Note: US SAILING is the national governing body for the sport of sailing. US SAILING is responsible for the selection of the Olympic Team, the Paralympic Games Team, the Pan American Games and World University Games Teams, and the annually designated US SAILING Team, US Disabled Team, and US Youth Team.)
3. Chairman, Pulaski County Republican Party, Mar. 1998 to Aug 2007.
4. District Chairman, Lake Cumberland District, Blue Grass Council, Boy Scouts of America Feb, 1998 to Feb. 2000.
5. President, Pulaski County Lincoln Club, 1997-1998.
6. President: American Cancer Society, Pulaski County Chapter. 1995-97.
7. Tobacco Education Chairman: American Cancer Society, Pulaski County, 1994-95.
8. Member of the Board of Directors for the Oral School for the Deaf, 1986-1989.
9. West Tennessee Lions Speech and Hearing Chairman (District 12-L), 1984 - 1989.

PRODUCTS PRODUCED:

1. Delta Project Patient Management and Billing System (2300K) Relational Data Base Template for the Macintosh Computer--Written in Omnis 3 and Upgraded to Omnis 5 and Omnis 7.
 --Omnis 3 version reviewed by *JAMA*. 263:1717-1718,1990.
 --Omnis 5 version reviewed by *Medical Software Reviews*. 1:7-9,1992.
 Rated: 4.5/5.0.
 (Note: This software package is no longer available.)
2. Delta Hearing Handicap and Presbycusis Software (70K--Omnis 5) Relational Database Template for the Macintosh Computer-- Completed 12/28/90.
 -- *Journal of the American Medical Association (JAMA)*. 266:3488,1991.
 A Negative Review.

Rebuttal letter to the editor. *JAMA*. 267:2738,1992. Authors of the review were shown the rebuttal and declined to respond.

- *Medical Software Reviews*. 1(6):5,1992.
Rated: 4.25/5.0.
- *Computer Users in Speech and Hearing (CUSH)*. 7:363-366,1991.
Rated: 3.6/4.0.
- *American Speech and Hearing Association (ASHA)*. Dec 1992.
Rated: Excellent.

(Note: This software package is no longer available. A more expanded online calculator can be found at www.occupationalhearingloss.com)

Submitted and Awarded The Following Grants

1. 1981 - 82 Private: \$27,600 from Iowa Lions Sight and Hearing Foundation; awarded to temporal bone bank, cochlear implant program and to the purchase of a Nicolet Pathfinder II.
2. Private: \$30,000 from the Lions Clubs International Foundation towards the cochlear implant program.
3. 1982-83 Private: \$30,000 from the Lions Clubs of Iowa for cochlear implant research.

Principal Investigator for the Following Grants

1. Federal: \$29,891 Teaching grant in pediatric otolaryngology from Maternal and Child Health.
2. 1986-87 Federal: \$100,000 Maternal and Child Health Grant for a tri-state pediatric speech and hearing program. MCJ-473808
3. Federal: \$15,000 Maternal and Child Health Grant for development of a patient management system on a relational database for the Macintosh.
4. 1987-88 Federal: \$100,000 Maternal and Child Health Grant for a tri-state pediatric speech and hearing program. MCJ-473808
5. Federal: \$36,616 Maternal and Child Health supplement for further development of a case management computer system.
6. 1988-89 Federal: \$136,616 Maternal and Child Health grant for a tri-state pediatric speech and hearing program. MCJ-473808
7. Federal: \$6,500 Maternal and Child Health supplement for indigent health care delivery conference.
8. 1990-1991 Federal: \$10,000 Maternal and Child Health supplement for indigent health care delivery.
9. 1991-1992 Federal: \$15,000 Maternal and Child Health supplement for Conference for the Poor and Uninsured. MCJ-479158-02.
10. 1992-1996 Federal (Accepted but not funded): \$824,091 Applying Image-Directed Robotics to Otologic Surgery - National Institute of Health.

Outside Federal Grants Reviewed

1. Field Initiated Project. Biomedical Operations and Research Office of NASA/John F. Kennedy Space Center, Florida, for the American Institute of Biological Sciences. Nov. 1988.
2. Grant review board for Special Projects of Regional and National Significance, Office of Maternal and Child Health. Rockville, MD, May 7-9, 1989.
3. Grant Proposal: Field Initiated Project. Office of Maternal and Child Health. Rockville, MD, Feb 8, 1991.
4. Grant Proposal: Field Initiated Project. Bureau of Maternal and Child Health. Rockville, MD, Aug, 1992.
5. Grant Proposal: Field Initiated Project. Bureau of Maternal and Child Health. Rockville, MD, Nov, 1992.
6. Grant Proposal: Field Initiated Project. Bureau of Maternal and Child Health. Rockville, MD, Aug, 1993.

PUBLICATIONS--Reviewed Journals

1. Kavanagh KT and Beardsley JV: Brainstem auditory evoked response I. Basic principles and clinical applications in the assessment of patients with non-organic hearing loss. *Annals of Otolaryngology and Laryngology*, 88:1-10,1979.
 2. Kavanagh KT and Beardsley JV: Brainstem auditory evoked response II. Clinical applications in the assessment of patients with organic hearing loss. *Annals of Otolaryngology and Laryngology*, 88:11-21, 1979.
 3. Kavanagh KT and Beardsley JV: Brainstem auditory evoked response III. Clinical uses of bone conduction in the evaluation of otologic disease. *Annals of Otolaryngology and Laryngology*, 88:22-28,1979.
- Publication Numbers 1 through 3 were reviewed by Bailey B, Editorial. Contempo '80: This is the decade that is. Otolaryngology, Journal of the American Medical Association. 6:2203-2204, 1980.*
